museum, park, playground, school and school bus stops, and other lands where minors congregate.

260-4.23.10.3 The distance between any two (2) sexually oriented businesses shall be in a straight line, without regard to intervening structures, from the closest point on the exterior parcel line of each establishment and any land use specified in 260-4.23.10.2 above shall be measured in a straight line, without regard to intervening structures, from the closest point on the exterior parcel line of the sexually oriented business to the closest on the property line of said land use.

§ 260.4.24 Signs

The following regulations shall apply to all permitted signs in all zoning districts.

260.4.24.1 No sign hereafter shall be erected, moved, enlarged, replaced, illuminated or altered except in accordance with the provisions of this ordinance and any other ordinances and/or regulations enacted by the municipality. The completion of an application and the subsequent issuance of a permit by the zoning officer is required prior to any of these actions occurring.

260.4.24.2 General repair and maintenance of any sign shall not, in and of itself, be considered an alteration.

260.4.24.3 All such applications must be accompanied by the appropriate fee, plans in duplicate, drawn to scale, showing the exact size, shape and dimensions of such signs and their proposed location or placement upon any land, building, structure or premises.

260.4.24.4 Any application for a permit for the erection of a sign or other advertising structure in which electrical wiring and connections are to be used shall be submitted to the Codes Enforcement Officer. All specifications for each sign and all parts thereof (including framework, supports, background, anchors, and wiring systems) must meet, at a minimum, the requirements as set forth in the building (BOCA), electrical, and fire prevention codes adopted by the municipality, as they now exist or as they may hereafter exist. In the absence of an electrical ordinance, the National Electrical Code shall be used as the standard for all wiring systems.

260.4.24.5 A person shall not erect, install, remove or replace any sign for which a permit is required under the provisions of this Ordinance until proof of liability insurance coverage in an amount not less than fifty thousand dollars (\$50,000) for injury to one (1) person and one hundred thousand dollars (\$100,000) for injury to two (2) or more persons caused by or resulting from said sign has been filed. A person shall not maintain any
